Dear Parents & Child,

Thank you & congratulations on joining ToddlerSoccer.Org & TWSports.Org. We are the leaders in football development that will insure an enjoyable experience for your child.

My name is Tim Wareing & I am Director & Head Coach of the TWSports.Org Group. I have over 15 years experience in coaching & hold the prestigious UEFA European 'A' Licence. My passion in coaching & learning offers your child the latest & most innovative training procedures. This results in our programme developing your child's technical ability & game understanding.

In the 6 years of operating TWSports.Org we have;

www.TWSports.Org/whois

- Won the 'Advantage Young Business Award' 2009
- Visited FC Barcelona to view & exchange methods, May 2007
- Visited Ajax & PSV Eindhoven, April 2008, May 2009 & August 2010
- TWAcademy.Org took a team to Holland to play PSV Eindhoven feeder team & First Division side Helmond Sport, August 2010.
- TWAcademy.Org took a team to London to play Fulham FC with 2 players scouted by FFC, August 2011.
- Attracted PSV Eindhoven & SL Benfica to Northern Ireland to operate coaching & player development clinics along with viewing our programme.
- I set up a successful Academy at Irish Premiership side, Lisburn Distillery.
- I have developed many Irish League players & Youth Internationals.
- I currently work with a child that joined our programme at the age of 6 who has 7 English & European Clubs tracking his progress. He is just back from a successful trial with Liverpool FC & will return each school holiday.
- I have published a book, 'Toddler Soccer the Essential Guide'; to date it has sold in 21 different countries.
- My new published book, '1-on-1 Coaching The Secrets To Improve ALL Football Players - GUARANTEED!' was released in June 2011 & sold in 16 different countries including a German Premiership side!

What we offer from any other organisation or club is a friendly environment that allows your child to play without fear of failure & encourages them to be creative while thinking for themselves.

Many other organisations, teams & clubs will shout & tell your child how they should play. They will also omit children if they feel they are not good enough. The sad thing is they fall further behind. Even if your child is at a club they still need additional coaching. Sadly this is why the technical ability of players in the UK is so poor compared to other European nations.

Our programme is changing that. From Toddler Soccer through to our elite programme, let your child enjoy the best in football development. Welcome to our family.

Yours in sport

Tim Wareing

Hey I have 3 kids of my own & when I send them to a club I want to know who is looking after them!

You can find out more about me by following this link, www.ToddlerSoccer.Org/whois

All our coaches have been interviewed & taken part in practical sessions to make sure they are great to work with your child. They all hold valid coaching licences, child protection & first aid certificates & all have completed an Enhanced Access NI background check.

My belief in developing kids extends to my coaching team. That is why you will see many young coaches that will be learning their trade by working alongside us old experienced coaches. We support the Princes Trust & offer exciting work placements for young adults at school / school leavers / college students.

You can meet the rest of the team by following this link, www.TWSports.Org/coaches
We also organise regular staff training, www.youtube.com/watch?v=WhXfxn5Ou9k
We also like to have some fun too, www.youtube.com/watch?v=A0FKrX7w9_w

What we are About

We offer a varied programme of coaching to all children aged 2-13. We welcome all regardless of ability, gender or cultural background. Children will enjoy football in a pressure free environment. They will learn new skills while making new friends & most of all have FUN!

The Government recommend that children should be getting at least one hour activity each day. In recent studies as little as only 3% of boys & 2% of girls were achieving this! Experts have already predicted that by next year half of all kids will be overweight unless they get active. At TWSports.Org & ToddlerSoccer.Org children get the opportunity to develop a good sporting interest that lasts for life & assist in getting the daily recommended amount of activity & exercise.

What to bring? A footy kit, tracksuit & trainers is ideal along with a bottle of juice or water. We ask that a parent remains in the class for Toddler Soccer but at Mini Soccer drop off is fine – although you are welcome to stay & watch!

For outdoor Mini Soccer centres a water proof jacket & warmer clothes is advisable - extra layer, hat & gloves for cold nights!

At Toddler Soccer we are happy for mum or dad to work in with their child if this helps them settle. Our classes are set in a relaxed, fun environment. Please remember to be realistic - it can take a term for your child to settle & get used to the concept. If you need to know anything else contact myself direct on, 077 4012 0788.

At Mini Soccer parents can stand back & watch & enjoy the session. We love to hear you clap & cheer for good play & goals but please don't go over the top & start shouting or coaching, leave that to us.

What happens? Our coaches will make you feel welcome. We have a great structured programme that is fun & develops everyone's skills regardless. Your child will learn new skills & improve their understanding, communication & social skills as well as their footy skills & making friends!

Although we can only say so much in words please follow this link to see us in action!

Opportunities for your child. Your child will learn the basic skills to set them up to move into our Mini Soccer classes when they turn 5 (www.TWSports.Org) Once they join our Mini Soccer classes a number of new opportunities open for them.

We attract the top European clubs to Northern Ireland. We have links with SL Benfica (www.youtube.com/watch?v=rNf_idHn15I) & PSV Eindhoven (www.youtube.com/watch?v=N09ILUTztPQ)

In fact we travel to PSV Eindhoven with a select team to play against their Academy! Get your child involved through www.TWAcademy.Org.
